Parents may go online to secure.istation.com to find a variety of support materials and activities to help reinforce children's learning at home.

The first time you log in, you will be prompted to select your child's school. Type in the school information.

Then type your child's login information as provided by his or her teacher and click **Log On**.

A screenshot of a web form. At the top, there is a search bar with the placeholder text 'Type provided school info here' and a 'Search' button. Below this is a section for login. It has two input fields: 'User name' and 'Password'. Both input fields have yellow arrows pointing to them. At the bottom of the login section is a 'Log On' button.
