

## STUDENT DRIVING AND PARKING

The following rules apply to all students who drive cars, trucks, or any motorized vehicle to school. STUDENTS MUST BE OF LEGAL AGE (16 YEARS OLD) AND HOLD A VALID DRIVER'S LICENSE TO OPERATE A MOTOR VEHICLE ON CAMPUS. All vehicles must be registered in the principal's office before a permit to drive to school is issued. Registration includes vehicle identification, license number, and driver's license number. A parking permit is required for all students.

- Vehicles must be parked on first arrival to school. The driver and all passengers are to immediately leave the vehicle and not re-enter during the school hours.
- Sitting in or on vehicles during the school day is not allowed.
- Students are not permitted to loiter in the parking lot.
- Students are not to leave the school grounds in, or enter another person's vehicle after arriving at school.
- STUDENTS ARE NOT TO GO TO THEIR VEHICLE DURING THE SCHOOL DAY UNLESS PERMISSION IS GIVEN FROM THE PRINCIPAL'S OFFICE.

Student drivers must understand and obey the rules. Failure to do so will result in the loss of driving privileges.

This form must be completed before a permit will be issued.
